Domestic Violence Resource Center is now open in our new Beaverton location at the Family Justice Center of Washington County. This move has allowed our counseling and advocacy programs to be under one roof, and it has allowed us to work directly with community partners to provide comprehensive service to survivors of domestic violence.

Join DVRC from 4-7pm on April 12, 2018 for a grand opening celebration at the new FJC! A ribbon cutting ceremony will take place at 4:15, and tours will be ongoing until the end of the event.

For more information about how the Family Justice Center operates and the community partners involved, visit the [FJC website](#).

A Big Thank You!

More renovations at Monika's House

DVRC would like to send out a big **THANK YOU** to members of the Hillsboro Elks Lodge #1862! The Elks made a very generous donation that allowed for a complete renovation of one of the living rooms at Monika's House. This renovation will provide a more comfortable space for our residents and their children. We also want to give a special shout out to two of the Elks, Pam and Michelle, for getting the ball rolling on

this project!
